

# Aplicaciones RIA con ZK

- Sesión 10: Aplicación Pomodoro

# Objetivo

- Diseñar y desarrollar una pequeña aplicación con la que podamos utilizar la técnica del Pomodoro (<http://www.pomodoratechnique.com/>):
  - Define una tarea que quieras cumplir
  - Pon el pomodoro (temporizador) a 25 minutos
  - Trabaja en la tarea hasta que se cumplen los 25 minutos. Cuando termines, anótalo.
  - Tómate un pequeño descanso (5 minutos)
  - Cada 4 pomodoros toma un descanso algo más largo

# Lista de tareas

	TO DO TODAY	Rome, 12 July 2006 Mark Ross
	Write the article on <i>How to Learn Music</i> (max 10 pps)	X X
	Finetune <i>How to Learn Music</i> by reading it out loud	
	Condense <i>How to Learn Music</i> down to 3 pps
